

# Iliya Georgiev

I'm a Full-Stack Developer

# About Me

I am Iliya Georgiev, web developer based in Amsterdam. Working as web developer has given me the opportunity to be a part of some very interesting projects. I believe that a great Front-end Developer cultivates a wide range of skills including creativity, aesthetics, and an eye for user experience.

# Experience

Feb 2019 - Present

## Lead Web Developer

Site.nu

As a Lead Developer, my main responsibility is to make sure that all of the projects are running smoothly and everyone in my team knows what to do. Moreover, I am responsible to make sure that we, as a team, reach all of our deadlines and hours specifications.

Feb 2018 - Feb 2019

## Medior Web Developer

Aug 2017 - Feb 2018

## Junior Web Developer

WeConnect B.V.

During the time I spent in WeConnect, I had the opportunity to be a project manager of a lot of interesting projects. Some of them includes building Warden, Verkeer & Meer and become part of the OpenWebConcept(OWC) project.

Sep 2015 - Feb 2016

## Junior Web Developer

Wibs Digital

As a Junior Web Developer, my job was to create e-commerce sites from scratch using CMS or to modify and edit already existing web sites.

**Skills learned:** HTML, CSS, JavaScript, jQuery, MySQL, PhpMyAdmin, WordPress, OpenCart, Magento, SEO, Adwords

Jun 2014 - Jul 2015

## Junior Web Developer

Kapchitsa LTD

Developed a website(e-commerce) from scratch. Took care of the SEO of the site and the web reputation of the firm. After 9 months we hit 1st page on Google and more than thousands of likes in Facebook.

# Education

2015 - 2019

## Computer Science - Bachelor Degree

Vrije Universiteit Amsterdam

GPA 6.9 out of 10

**Minor:** Artificial intelligence

**Thesis:** Designing an intuitive dashboard for limiting sedentary lifestyle at the workplace: a qualitative study

2014 - 2015

## Software Engineering

Soft-Uni Bulgaria

Did a private software university on the side of my studies. Had to drop out because of Bachelor degree.

**Topics covered:** Introduction to Programming (C#), Web Development (HTML, CSS), Databases (MySQL, SQL, Oracle), JavaScript Applications, Php Basics and others.

2010 - 2015

## Secondary School

"Akademik Kiril Popov" High School Of Mathematics

GPA 5.8 out of 6

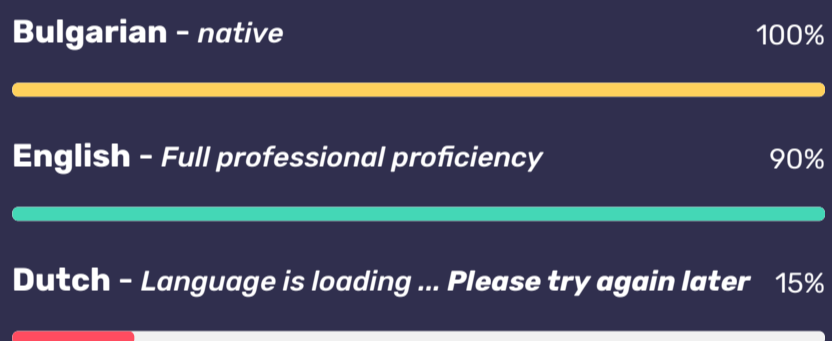

**Focused studies:** Math and Information Technologies

# How I talk with computers

## Personal Skills

### Languages

### The Rest

#### TNW T500 member

Chosen for the top 500 people under 26 by the The Next Web conference.
